Hello:

We have an exciting opportunity for you to increase your profits through our Eagle Viewer! The Eagle Viewer is an innovative, cost effective method of advertising and promotion. Have you ever thought of TV advertising, but couldn't incur the cost? The Eagle Viewer utilizes large screen monitors to broadcast your ad to a customer base of over 3000 members and guests daily for a fraction of the cost of traditional advertising media.

Your 8 to 10 second ad will repeat every few minutes with other Eagles Club, Inc. happenings for you to gain maximum repeatable exposure to potential patrons between the ages of 21 to 80 years old. The Eagle Viewer reaches extremely wide demographics of blue and white collar workers, and may even be utilized to run special promotions through high resolution color images.

Undecided on how to announce that special accomplishment? Want to honor loved ones for a milestone birthday or anniversary? Consider placing an ad on the Eagle Viewer, and take the guesswork out of it. We will build your ad for you, free of charge!

A monthly tax-deductable donation of \$100 to the Eagles Club, Inc. will allow your business to grow for the cost of one small ad in a local newspaper.
